

ULTIMATE

Kill Odour Citrus

5 Litres

Neutralises odours and odour-causing sources when used as prespray or added to cleaning solution. Effectively removes odours caused by urine, vomit, smoke, perspiration, medicine, rancid foods and oils.

For professional use only. Keep out of reach of children. Read directions and cautions before use. Before application, pretest for colourfastness in an inconspicuous area.

DIRECTIONS: Prespray: 1. Dilution: Mix 0,9 L Kill Odour with 3,8 L water. **2.** Apply liberally with pump sprayer to affected area with a coarse spray. **Caution: Do not use concentrated or diluted Kill Odour Citrus in a fogging machine.** **3.** Allow to dwell, then clean. If odour persists, repeat procedure. **4.** If entire carpet needs treatment, the amount and dilution depends on the strength of the odour.

Truckmount or portable extraction: 1. Portable Dilution: Mix 30 mL per 3,8 L of portable ready-to-use solution. **2.**

Truckmount Dilution: Mix 237 mL - 296 mL per 18,9 L truckmount solution tank. **For hard surface deodorisation:** Wipe, sponge, or mop affected areas with a mixture of 59 mL per 3,8 L of water.

CAUTION: Use product only in well-ventilated area. To avoid skin irritation or slip hazards, do not walk on wet carpets with bare feet.

NOTICE: Product must be stored at room temperature (15°C - 30°C). Keep in sealed container when not in use. Product is not warranted if used for repack, improperly stored, or used in a manner not consistent with manufacturer's instructions. Dispose of unused product and waste water according to applicable local and national regulations. Contains cationic surfactant. Do not mix with products containing anionic surfactants.

Neutralise les odeurs et les sources d'odeurs lorsqu'utilisé en pré vaporisation ou ajouté à une solution nettoyante. Élimine efficacement les odeurs causées par l'urine, les vomissements, la fumée, la transpiration, les médicaments, la nourriture rance et les huiles. Pour usage professionnel exclusivement. Garder hors de la portée des enfants.

Lisez les directives et les mises en garde avant l'utilisation du produit. Avant l'application, effectuez un essai de la solidité de la couleur dans une section peu visible.
